Health Impacts and Costs

Over the lifetime of the impacted regulations

Today's Landscape

Drive Forward

New Regulatory Efforts

- Development of light-, medium-, and heavy-duty vehicle, and fleet regulations

Incentives

- Enhancing current programs and designing future initiatives:
 - \$135.5 million for Clean Truck and Bus Vouchers
 - \$135.5 million for first time ZEV buyers in California

ZEV Outreach and Market Support

- Provide compliance support and outreach
- Recognizing fleets and industry leaders that go above and beyond
